

CREATING IBM CLOUD SERVICE

Date	11 NOVEMBER 2022
Team ID	PNT2022TMID32932
Project Name	Smart Waste Management System For Metropolitan Cities

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and user information. Below this, the 'Dashboard' section features a 'For you' area with several service tiles: 'Build' (highlighted in blue), 'Build a web app with Watson Speech to Text', 'Get Started with Watson Studio', 'Build and deploy Node.js apps', 'Build a virtual machine', and 'Get started with Watson Discovery'. Each tile includes a brief description, a 'Getting started' or 'Recommended' button, and a time estimate. To the right of these tiles is a 'Select an option' dropdown. Below the 'For you' section, there are four more tiles: 'News' (with a list of recent updates), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (showing a world map). The bottom of the dashboard features a Windows taskbar with various application icons and system information like temperature and time.

An IBM Cloud Service created Successfully.
